FOR IMMEDIATE RELEASE

RTA Architects Welcomes Seven New Team Members

Colorado Springs, Colo. (December 17, 2018) – RTA Architects is pleased to announce that it has welcomed seven new staff members to our Architectural and Marketing teams over the last few months. Our new Architectural team members are Architects Ben Foster, Christine Costa, and Jon Houck, and Emerging Professionals Erika Everett, Mitchell Starrs, and Jordan Johnston. Architect Ben Foster, AIA is a LEED Accredited Professional and brings nine years of experience to RTA after working in California, New York, and Pennsylvania. He received his Master of Architecture from the University of Michigan. Architect Christine Costa, RA received her Master of Architecture from Lawrence Technological University and has 10 years of commercial and historic renovation experience in Michigan. Architect Jon Houck, RA joined RTA after working on both the East and West coasts upon graduating Cum Laude with a Bachelor of Architecture from California Polytechnic State University.

After receiving her Master of Architecture degree from the University of Oregon, Portland, Emerging Professional Ericka Everett joined RTA with six years of experience already under her belt. Emerging Professional Jordan Johnston, Assoc. AIA., came to RTA from Indiana upon receiving his Master of Architecture degree from Ball State University. Emerging Professional Mitchell Starrs, Assoc. AIA, EDAC is a LEED Green Associate and first joined RTA as a student intern. He then rejoined the company full time after completing his Master of Architecture from the University of Kansas.

The new member of RTA's Marketing team is Marketing Assistant Kitaen Jones. Kitaen joined RTA after gaining experience in the communications sector of public health. She graduated from the University of Memphis with a Bachelor of Arts degree in Journalism and English.

RTA warmly welcomes all our new team members and looks forward to their contributions and growth in their careers.

About RTA Architects

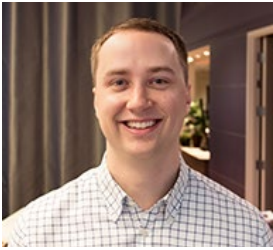

RTA Architects has created award winning architectural and interior designs for the Colorado built environment since 1975. RTA specializes in education, healthcare, retail, and commercial properties, delivering beautiful buildings that serve the unique needs of their owners and occupants. In addition to our core strength of architecture and design for new construction, renovation, and adaptive re-use projects, RTA provides technical expertise in a broad range of related services including: feasibility studies; site selection and comparative analysis; master planning; site planning; facility programming; interior design; and environmental graphics, signage and way-finding. RTA's website is located at www.rtaarchitects.com.
